A MODERN, NOTICEABLE LOOK

The Luminous Series provides a contemporary design in a rugged housing with hidden, tamper resistant wall mounting hardware. The SL Series requires no electricity, no maintenance and is recyclable at the end of its useful life of up to 20 years. The SL Series is an energy efficient, sustainable solution for “green buildings.”

SELF LUMINOUS EXIT SIGN

Completely Non-Electrical Solution!
FEATURES

- Non-electrical internally illuminated by sealed tritium gas light source
- 100% reliable: Requires no external light source, electrical power, wiring or battery and is maintenance free
- Suitable for damp or wet locations
- Green light output for maximum visibility in emergency conditions
- 125 foot visibility rating
- Available in service life ratings of 10, 15, or 20 years
- As there is no electrical ignition source, the Lifeline is suitable for use in hazardous atmospheres, damp and wet locations. Meets NEC Article 500, Class 1, 11, and 111 conditions
- Sustainable design and fully recyclable at the end of it's useful life
- Rugged thermoplastic ABS injection molded housing with tamper resistant finishing bezel
- Sealed internal construction prevents unauthorized access to light tubes
- Field selectable chevrons indicators
- Heavy duty universal mounting bracket supplied with mounting hardware
- Suitable for wall, ceiling, end mount or optional pendant mounting
- Special Green Letter Option (GL) provides a green illuminated letter apparent in both dark and ambient light conditions. Available in 10 and 15 year rated signs with red, black, or white background
- Tested, approved and listed by Underwriters laboratories to UL 924 and British Standard 5499 PT2
- Limited warranty for the rated life of the sign
